

Vidacare Corporation to Sponsor 2012 British Journal of Nursing Haematology Award Category

Vidacare Corporation, manufacturer of the OnControl Bone Marrow System, is proud to sponsor the 2012 British Journal of Nursing Awards, which celebrates and rewards excellence in clinical nursing. The BJN awards recognize clinical excellence in the nursing workforce in twelve categories, including Haematology. Nominations can be submitted at www.bjnavards.co.uk. The deadline for entries is January 27, 2012. Finalists will be listed on the British Journal of Nursing website in early March. The British Journal of Nursing will award prizes on March 30, 2012 at a black tie ceremony at the Landmark Hotel in London.

Established in 2001, Vidacare Corporation is the pioneer of a broad technology platform for use in the field of intraosseous medicine. Current products include the EZ-IO Intraosseous Infusion System, the OnControl™ Bone Marrow System and the OnControl™ Bone Access System. Applications include vascular access, emergency and disaster medicine, oncology and spinal surgery. Vidacare's focus on enhancing clinical efficacy, patient safety and comfort, and reducing complications and their associated costs, has resulted in its devices becoming the recognized technology standard. Privately held, the company is based in San Antonio, Texas, and its products are marketed in over 50 countries worldwide.
